FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION

BILL NO. SB 8

Analysis

This legislation expands contributions from a dividend to include federally recognized tribal governments. The functionality of the online dividend application and current giving process will not change, however federally recognized tribal governments will be added to the list of organizations available for selection.

The \$250 application fee collected to participate in the Pick.Click.Give. program will cover costs associated with the vendor, United Way, for processing the additional applications received.

There will be no fiscal impact to the department with this legislation; therefore a zero fiscal note is submitted.
